PASTORAL REFLECTIONS

Over the course of forty days, the life of the church draws us into the depths of the valley making us long for what Christ alone can provide—life. Spring is upon us and with the arrival of spring come signs of life poking up from the ground. We have a ways yet to go before the full expression of life is revealed but we are getting closer. We have a ways to go in the season of Lent but we are getting closer to the day when our “alleluias” will return and we celebrate fully the hope that bursts forth through the Easter message. This week the readings will set the stage for the final week of Lent—Holy Week. We will celebrate the triumphal entry of our Lord into Jerusalem and little by little we will experience the depth of Christ’s passion, his betrayal and eventual abandonment by all who loved him. Such it is with us as well. Our best efforts cannot prevent the brokenness of life from taking us over and we too fall away like sheep that are scattered by wolves.

Maundy Thursday worship is the start of the holy three days that conclude our Lenten journey. Services for both Thursday and Friday are continuous and spill even into Holy Saturday leaving us anxiously awaiting the dawn of Easter morning. The difference for us from those who first went to the tomb is that we know what to expect. We know that we can expect joyful music, alleluia proclamations and the affirming statement that “Christ is Risen!” We know the truth about what others had only visions of hope and expectation. Did Jesus really mean what he said? Could it indeed be that there is such a thing as life after death? We know how the story ends. We know that Christ rose victorious and that this is no small thing. Christ died and rose to life so that we can live in the blessed assurance of that same promise. The story of Christ is rooted in the cross which not only represents death, but also life, new life. May the blessings of the Easter promise be revealed anew so that we remember that Christ is Risen. He is risen indeed! Alleluia! - *Pastor Craig*

The life and ministry of Saint Andrew Lutheran Church shall be open to all who wish to express their faith in God through Jesus Christ by *worship, learning, witness and service.*

GOOD STEWARDS

For five weeks in Lent the worship focus has centered around the topic of Stewardship.

Specifically, stewardship of Trust, Time, Talent, Treasure, and Mission. Each of these gifts are ways by which God has provided opportunities to engage in life and unite efforts that honor the one who has given the gifts. As the Lenten season comes to a close it is appropriate to reflect upon our responsibility we have to respond faithfully and appropriately as the giver intends. Like any gift, the real test of the effectiveness of the gift is in how the gift is used. How do you understand your gifts? In what ways are your gifts enhanced or diminished? Might we do a better job of caring for, managing and sharing what God has entrusted to us for the sake of building up of the body of Christ?

Even as many ministries serve as ways to bring gifts together to share in the mission and ministry of Saint Andrew, there are yet more opportunities to share and efforts are being made to expand those opportunities into new ministries: Nursery, Funeral, Visitation, Health and Wellness. Additionally, current ministries are also in need of more members. Do you have a gift to share? Do you see a need to be met? Your church is a great way to share your gifts and your ideas. Call the church office to share or learn more. Visitors are always welcome on Ministry Night, the second Tuesday of each month. Thank you for sharing what God has entrusted to you as a steward.

RITE OF CONFIRMATION

Confirmation, also called “Affirmation of Baptism”, is a pastoral and education ministry of the church which helps the baptized, through Word and Sacrament, identify more deeply with the Christian community and participate more fully in its mission. The 2011 confirmands will make a public affirmation of their baptism on Sunday, May 1.
