Notes to the Saint Andrew Financial Statement

December 31, 2011

- Equipment - The value of the equipment was either at the cost or fair market value of the equipment donated. The furnishings for the church office have been assigned a fair market value.

- Land - Church Building Site - In 1980 the Division for Mission in North America (DMNA) purchased for \$90,000 three (3) acres of land at the corner of N. Mountain Road and Partridge Avenue in the Town of Rib Mountain for the future building site of Saint Andrew Lutheran Church. Subsequently, a grant of \$30,000 was received from Strength for Mission (SFM), which was applied to the purchase price.

At a congregational meeting held September 25, 1983, a resolution was passed authorizing the purchase of the future church site of \$60,000 from the Board of American Missions of the Lutheran Church in America; however, no principal payments or interest on the debt would accrue until construction was started. On October 6, 1983, a Warranty Deed was signed transferring title to Saint Andrew Lutheran Church. In August 1984 the Site Loan of \$60,800 was paid and the debt was transferred to a note held by the Board of American Missions.

- Building Indebtedness

On July 15, 1984, the congregation of Saint Andrew Lutheran Church approved two building loans of \$193,000 and \$130,000.

The loan of \$193,000 was held by the Board of American Missions with an interest rate of 5%, which matured on December 31, 1988. When the loan matured in 1988, Saint Andrew was required to refinance the loan balance through other commercial financial institutions.

The other loan of \$130,000, which was financed through the Chase Manhattan Bank of New York City, was refinanced through Aid Association for Lutherans (AAL). The actual amount borrowed was \$135,000. The interest rate per annum was 9.5%.

On September 21, 1992, Building and Land notes were refinanced at Peoples State Bank with a \$250,000, 9.0% per annum 5-year note. The note balance on December 31, 1994 was \$203,473, with monthly payments of \$3,166.89.

On October 15, 1993, financing was secured for a construction loan at Peoples State Bank. This loan was not to exceed \$600,000 at the interest rate of 7.5%. When construction was complete, this loan was rolled together with the existing mortgage. On June 5, 1994, the congregation authorized to increase the line of credit on the construction loan to \$675,000.

On September 8, 1995, the construction loan dated October 15, 1993 and the Building/Land note dated September 21, 1992 were refinanced at Peoples State Bank. The refinancing included the necessary funds to purchase the three vacant lots described in the "Land-Vacant Lots" section below. The resulting mortgage note, with a principal balance of \$889,084, requires monthly payments of \$7,856.93 and contains a guaranteed interest rate of 8.75 for two years. The mortgage note did not exceed the \$916,000 authorized by the congregation.

On September 8, 1997, Building and Land notes were refinanced at Peoples State Bank with an \$853,181, 8.891% per annum 1-year note. The mortgage note balance on December 31, 1997 was \$846,498.

On November 7, 1998, Building and Land notes were refinanced at Peoples State Bank with an \$828,975, 8.500% per annum 3-year note. The mortgage note balance on December 31, 1998 was \$825,235.

On November 8, 2001, Building and Land notes were refinanced at Peoples State Bank with a \$740,811, 7.9% per annum, two-year note. The mortgage note balance on December 31, 2001 was \$736,387.

On April 26, 2002, Building and Land notes were refinanced at Peoples State Bank with a \$725,764, 6.9% per annum, two-year note. The mortgage note balance on December 31, 2002 was \$696,026.

On May 8, 2003, Building and Land notes were refinanced at Peoples State Bank with a \$676,282.98, 5.35% per annum, two-year note. The mortgage note balance on December 31, 2004 was \$579,150.49.

On November 8, 2005, Building and Land notes were refinanced at Peoples State Bank with a \$519,493, 6.35% per annum, six-month note. The mortgage note balance on December 31, 2005 was \$513,801.

On September 27, 2006, financing was secured for a construction loan at Peoples State Bank. This loan was not to exceed \$2,300,000 at the interest rate of prime less ½ point. The existing mortgage of \$486,639 was rolled into the construction loan at this time. The construction loan/mortgage balance as of December 31, 2006 was \$786,487.

The construction loan taken out in September of 2006 remained in effect throughout 2007. The interest rate (prime less ½ point) at year-end 2007 was 6.75%. The mortgage note balance as of December 31, 2007 was \$2,150,726.

On October 30, 2008, the construction loan was closed and converted to a three-month note at Peoples State Bank for \$2,049,719.53 at 4.5% per year. The mortgage balance on December 31, 2008 was \$1,985,470.

The mortgage continued at the current rate of 4.5% and the balance on December 31, 2009 was \$1,930,047.

The mortgage was renewed for 12 month term on Feb 28, 2010 at a rate of 4.95%. The principal balance on December 31, 2010 was \$1,868,124.

The mortgage balance of \$1,852,605.92 was renewed for 36 monthes on Feb 28, 2011 at a rate of 5.35%. The principal balance on Dec 31, 2011 was \$1,769,009.39.

- Land - Vacant Lots - On April 18, 1990, the Church Council of Saint Andrew Lutheran Church adopted a resolution for the purchase of two vacant building lots, lying immediately north of and contiguous to the present church parking lot. A second resolution authorizing the funding necessary to complete the purchase was also adopted at this meeting.

On May 15, 1990, the lots were purchased at a price of \$27,000 and financed with a \$26,000, 10% per annum, two-year note from Peoples State Bank.

On April 3, 1992, this land note was refinanced as per the above section.

On September 25, 1994 the congregation authorized the purchase of three lots that are adjacent to the west side of the church property that will eventually be used for parking. The offer of \$51,000 was accepted for the lots.

On December 23, 1997, a 3,080 square foot section of Lot 56 was sold for \$3,080.

REPORTS

Pastor

Pastor John Roseth

A year ago I announced that I would be retiring during the spring of 2012. And so, this will be my 31st and final "Pastor's Report".

A one-page "Pastor's Report" cannot possibly begin to fully convey, much less put into words how the congregation has responded over the past 31 years to the mission of Saint Andrew. Furthermore, a simple summary could not adequately express the countless and unlimited ways the congregation has gone about doing the ministry of Saint Andrew over the past 31 years.

With a charter membership of some 250 baptized people we are now, 31 years later, a congregation of approximately 3,000 baptized members. Over the past 31 years 1,400 persons have been baptized; almost 850 persons have confirmed their faith in Jesus Christ; almost 500 couples have been united in marriage; and, some 200 persons have moved from the "Church Militant" to the "Church Triumphant" because "Christ is Risen."

Worship

For the past 1,612 weeks the congregation has gathered together to encounter God's Word, to share a meal at the Lord's Table, and be sent into the world to serve. Our weekly liturgies within worship have recalled, proclaimed, and provided a way for the congregation to participate in the mystery of Christ's life, death, and resurrection.

Learning

Throughout each week for the past 31 years the Spirit of God has encountered people of all ages so that they are nurtured in faith, grow in knowledge and experience, and are inspired and empowered to live as followers of Jesus Christ.

Witness

Because each person has been marked by the sign of the cross in baptism — we pray, we prepare, we teach, and we invite others to follow and emulate the life of Christ.

Service

We are all called for service because we have been taught to care, to reach out to others within our community, nation, and world. Our ministries of service are different but our purpose is the same: to touch the lives of others with God's surprising grace.

Support

Through the support of the people of Saint Andrew, *both then and now*, gifts of time, talents, and treasures have been shared and given out of gratitude to God for all that God has given each of us. The mission and ministry of Saint Andrew has been sustained in the past and the present both here and beyond ourselves.

This Annual Report, just as the others over the past 31 years, is just a glimpse, a peek, a quick look, even a foretaste of some of the ways the people of Saint Andrew have brought to life the mission and ministry of Saint Andrew during this year and for the past 31 years.

This Annual Report includes numerical summaries of membership, giving and receiving, describing the present and envisioning the future as our mission and ministry together moves into the next decade and years beyond.

With gratitude to God, we give thanks for those before us and those with us now who have been and continue to **"be open to all who express their faith in God through Jesus Christ by worship, learning, witness, and service . . . and support."**

— from MISSION STATEMENT of SAINT ANDREW

Therefore, since through God's mercy we have this ministry, we do not lose heart.

*For what we preach is not ourselves, but Jesus Christ as Lord,
and ourselves as your servants for Jesus' sake.*

— SECOND CORINTHIANS 4:1 and 5 —

Pastor

Pastor Craig Swenson

As we move into another year, thoughts often focus on the past; what we will miss, as well as what we will be glad to leave behind as the next calendar year unfolds. Was 2011 a year of challenges and painful experiences or was it a year that holds treasured memories? Some people have died, some have been born. Some people moved away while others have arrived. Some have received news of restored health while others have learned that death draws near. Some relationships ended while others have just begun. Some people are gainfully employed while others make up the large number of those who are without adequate work.

As a pastor, I experienced people in each of these categories and while I do not have answers to many of life's difficult questions, I am confident in one thing, God is with us and my task is to be a messenger that points to the hope that is ours in Christ Jesus.

One of the new and exciting opportunities that developed last year and now lies ahead is a visit from members of our partner congregation in Zeerust South Africa. For many years, members from Zeerust have been praying a connection to Saint Andrew and a more realized partnership between us. They are so excited that over 20 individuals are now planning a personal visit this summer. This is a significant response to many years of anticipation. I hope many members will take advantage of this unique opportunity to nurture this relationship and grow in an awareness of ministry needs on both a local and global scale. This is no small undertaking and deserves our intentional effort to prepare for their visit and future sharing.

The parochial report shows the significant number of people who have shared life-passage events through Saint Andrew including Baptisms, First Communion, Confirmation, Weddings, and Funerals. Each of these are particularly significant for me as they include times for worship, which remains central to my understanding of what I believe is at the heart of any faith community -to regularly pray and praise God together. This past year two worship services were added to celebrate with those who came to the table for the first time and those who publicly affirmed their faith through the Rite of Confirmation & take on a more active identity in the life of the church. This coming year there will be a third special service added for another time of celebrating and offering thanks.

When I first interviewed for the call to serve at Saint Andrew now just 3 years ago, I did so with the understanding that the mission pastor who has provided consistent leadership over the course of this congregation's history was nearing retirement. The time frame was not set, but the intent was clearly defined. Pastor John was planning for retirement and the time we would share together would be instrumental in the transition of pastoral leadership when he retires. This past year, Pastor John announced his intention to retire in April 2012. A special worship service will be provided on April 29 to publicly thank God for the gifts Pastor John has shared and to officially release him from his role as a parish pastor so that he can fully embrace his time of retirement. While the news of his retirement was not surprising, it is received with a sense of bitter/sweetness. I want to publicly say that it has been and continues to be, a pleasure to serve with Pastor John in this call. His presence and participation will most certainly be missed. Pastor John has been a faithful servant and God has indeed blessed his gifts in ways that have allowed many people to express faith in God through Jesus Christ by worship, learning, witness and service. It is my prayer that Pastor John and Darlene enjoy many years of good health and God's abundant blessings in their shared years of retirement.

I continue to consider it a blessing to serve among the Saint Andrew faith community. I am grateful that I am welcomed into the hearts & lives of people

whose faith is nurtured by the mission & ministry of this congregation and who are faithful in generous support and active participation. As with any new year, there are more unknowns than the certainties that we desire. For some, that is exciting and for others it evokes a sense of anxiety and fear. And yet, in light of not knowing how the future will unfold, we make plans with hopeful expectation knowing that in our planning & in our visioning we grow in faith, love and obedience to God's good purpose for us.

Paul's words to the Ephesians continue to be ones that define my hope and anticipation for what we do together.

*"But each of us was given grace according to the measure of Christ's gift...
to equip the saints for the work of ministry, for building up the body of Christ.—*

— EPHESIANS 4:7 and 12 —

President

"Change" - this one word can sum up both 2011 and be a vision for 2012 at Saint Andrew Lutheran Church. 2011 brought us the announcement of Pastor John retiring; an event that we knew would come and have been anticipating. This past year also brought with it budget issues that forced the council, ministries, staff, and the church as a whole to re-look at every dollar we spend as a congregation. I am pleased with the progress that has been made. In 2012 we were able to make regular mortgage payments and with your help drive down our principal on our mortgage loan via the "Freed for Mission" campaign. As we move into 2012 we will continue to be good stewards of our congregation and strive to further drive down our debts while allowing for the changes of pastoral staff. Our debt is the one thing that is holding us back from doing what we want and what we can afford. I will continue to make debt reduction a focus so in the near future we can truly be "Freed for Mission".

2012 brings reason for great anticipation and excitement as we rejoice in the work that Pastor John has been able to accomplish over his career. As we plan to release Pastor John from call, we also open a new chapter in the life of our church as we transition Pastor Craig to lead us. This upcoming transition has put into motion a Pastoral call committee as they begin the work of calling a second pastor. In 2011 the five-year staffing group was appointed and put together a plan that would be a path for transition. This proposed plan was reviewed and unanimously approved by council in the fall. With it there will be change, but I also believe this will open up new areas where members of Saint Andrew can be more involved in the life of the church. All of this change will take the acceptance, work and dedication of our membership. Change is never easy, but nothing worthwhile is meant to be easy.

I am blessed to work with people on various levels and continue to be amazed with the "church first" mentality. This being Christ's church allows us to work for a common goal and I would invite all of you to find a way to get engaged at Saint Andrew. Maybe it is attending one council meeting a year, teaching church school or confirmation classes, assisting in worship, or serving on one of our various ministries. I know that each of you has gifts to share and maybe this year is the year to see how your gifts can impact others' lives at Saint Andrew.

Gods Peace,
Eric Jacobson
Council President

Vice President

"Good morning, welcome to Saint Andrew" says the greeter as my family and I walk into worship on Sunday mornings. The warmth and open invitation to worship and assist in Christ's church is why my wife and I joined this congregation, and is why we're still part of this growing and energetic family.

2011 was the beginning of an end. It was a year when the focus moved away from paying "hired staff" to do the work of Christ's church and towards asking "congregational members" to participate more with accomplishing that work. One driver was the financial impact of the past few years. The other driver of these changes was the refocus back on the mission of this congregation which was established over 30 years ago.

*The life and ministry of Saint Andrew Lutheran Church shall be open to all who wish to express their faith in God through Jesus Christ by **worship, learning, witness, and service**. From this gathering of God's people shall come Christian love as its members minister to each other, the community, the nation, and the world. With the guidance of the Holy Spirit, the life and mission of this church can be fulfilled by those within it. Therefore, we wish to express our love of Jesus Christ through faithful support of, and active participation in, the mission and ministry of Saint Andrew Lutheran Church.*

Let's focus on two key phrases. The first is that "**members minister to each other**." This year we began conversations and efforts toward building member visitation teams. The intent is for members to enhance pastoral visitations. With over 3,000 members, our two pastors find themselves "reactive" to our needs. But, with the addition of this visitation ministry, our shut-in membership will be able to still participate in the Lord's Supper and God's Grace. By putting focus back on members ministering to each other, we strengthen this important part of our mission together.

The second is that "**life and mission of this church can be fulfilled by those within it**". With the passage of the five-year staffing plan in late fall (planning actually began over five years ago), our focus shifts from just "paying staff" to "enabling members" to develop new ministries that better fulfill the mission of our church. Here are a few examples of ministry programs that we can enhance within the next few years:

- Family Ministry
- Global Missions (ELCA Disaster Response, ELCA World Hunger).
- Life Transition Guidance - Aging Issues, - Family Relations, Financial Challenges, Physical & Emotional Health, Youth Issues
- Men's Ministry
- Woman's (Women of the ELCA) Ministries
- Young Adult Ministry

2012 will be a year of shifting. While this happens, our mission and vision for Christ's church remains the same! Thanks to the pastors, staff, council members, ministry teams, and all of you for making Saint Andrew a great place to "come and serve the Lord."

Yours in Christ,
Rick Radloff

Parish Administrator

It is with gratitude as we reflect on 2011. The year began with faith being the important component to assist in the transition to reductions and budget limitations. Areas that began as challenges quickly became creative opportunities, with support from members of SALC at the forefront. With "standing room only" on Rib Mountain for Easter Sunrise, Christmas Eve and increased attendance at weekly worship, it is easy to understand how important it becomes for the faith community of Saint Andrew to take the lead in reaching out during times of challenges and unexpected uncertainty.

With increased numbers serving on the various ministry groups it is easy to recognize their success and efforts with the multitude of programs currently offered at Saint Andrew. After taking the chance to reflect and celebrate it is exciting to see continued effort given to enhance the next project with the goal of reaching out to more people in the community and including more members in the process.

A new area of outreach and service was added with the "Magic Paper Box" option for paper recycling. In addition to encouraging a "greener" lifestyle, it also brings to life the analogy of "one person's trash is another person's treasure". The donated paper is collected and Saint Andrew receives financial revenue each month. Currently the revenue has assisted the Saint Andrew youth with transportation costs to out of town activities. Your support and participation in this initiative is greatly appreciated.

Another new outreach initiative is the "blood donation drives" hosted at Saint Andrew to support both the American Red Cross and the local Blood Center of North Central Wisconsin. Each drive has been successful and the intent is to continue to offer these on a quarterly basis. All blood types are needed and please feel welcome to join in this worthy cause by donating or assisting with registration or hospitality.

Thank you for the generous gifts of time, talents and treasures. In addition to supporting the mission and ministry needs of your church, your financial gifts also contributed to the benevolence gifts shared by Saint Andrew with the following:

- The Evangelical Lutheran Church In America
- Saint Andrew Scout Troop
- Crossway's Camping Ministries
- The Neighbor's Place
- The Merrill Tornado Disaster Relief Fund

It is a pleasure to serve together and grow in faithfulness as Saint Andrew shares the love, grace and good news of Christ Jesus.

Blessings,
Shelby Gjertson

Coordinator of Youth

This summer the Senior High youth went on a mission trip to Philadelphia. We took the Amtrak from Milwaukee and rented vans while there. The trip was coordinated through Youth Works planning our the church we stayed in, meals, sight seeing at the Rocky Steps and the Liberty Bell, the evening Baptist worship service and our work sights. We spent five days helping in the community in their gardens, food pantries and community centers. Coming in the summer of 2012 is the National Youth Gathering in New Orleans. Watch for our fundraisers.

Saint Andrew continues with the traditional events; bowling, swimming, broomball, corn maze, Noah's Ark trip, CROP Walk, Scavenger Hunt for food items, tubing at Sylvan Hills, Junior High and Senior High Youth Gatherings. The 6th – 8th graders continue to collect food for the food pantry collecting the most items ever. The 9th – 12th grade youth group plays broomball. We are already looking forward to this year's tournament and keeping it here at Saint Andrew. The youth attend the Junior Youth Gathering (JYG) in Oshkosh and Senior Youth Gathering (SYG) in Manitowoc.

I continue to work with the confirmation program, teach 6th grade confirmation classes, go to Bible Camp with the 7th – 8th graders in the summer, lead the 6th grade Baptism Retreat in January and teach High School Sunday School class.

I also am involved with another aspect of Saint Andrew, which I think is very important. That is, softball and basketball. We run a basketball program at the Marathon Grade School gym for 8 weeks where you can get some exercise and fellowship. We also have a fast-pitch softball team which finished 2-10. Not a great year.

I would like to thank Randy Trollop and the Youth Ministry, Carol Matushak, Bev Schmidt, Lennie Kersten, Autumn Foley, Allie Andraski and LeAnn Stankowski who are a big part of the success of the Youth Ministry programs. Thanks to the Senior High Board, Dan Clark (past president) and Cassidy Branning (current president), who plans and runs all the 9th – 12th grade events. The three youth representatives, Casey Stankowski, Cassidy Branning and Courtney Grieser, also serve on the Synod Youth Board. The youth groups continue to sponsor a child in Ethiopia named Brook.

A big thank you to everyone at Saint Andrew for all your support. Without it the youth ministry programs here would not be as successful as they are.

In his Name,
Schmidty

The focus of the Development Ministry this year included the following:

- Development of Safe Place guideline for church activities

Fellowship Ministry

Chairperson: Amy Frolik (term 2011–2012)

Council Liaison: Phil Bickley (term 2011)

Members: Bonita Alafouzoz (Secretary), Ann McDonald, Dave Mueller and Jamie Mangels

Associate Members: Karen Swenson (Cookie Bakers Coordinator) and Lucy Harvey (OWL's group Coordinator)

The Fellowship Ministry is responsible for planning and coordinating fellowship activities for the purpose of service and fun. This year has been about rebuilding the ministry. For the past three years, Fellowship had been merged with Member Outreach Ministry due to lack of members. We were able to recruit enough new members and separate the ministries in January. We were committed to continuing weekly and annual events as well as adding a few new ones.

Following each Sunday morning worship service, we offer coffee, juice, milk and cookies for fellowship between services, so are responsible for coordinating volunteers to host the early and late services and to bake cookies. The annual church picnic is one of the major events that we are responsible for. We coordinated it with Rally Sunday in September to help increase awareness and attendance. We helped with a church fundraiser held in October to that raised over \$5,000 for the Merrill tornado victims. We coordinated marketing including posters, table tents, notices to local media and worked at the event. Below is a list of events we organized or assisted with in 2011.

2011 Fellowship Schedule:

Pretzel Sunday (1 st Sunday in Lent)	March 13
Members Assisted in the (Lenten) Soup Kitchen	March 30
Hot Cross Buns Served (Palm Sunday)	April 13
Assisted w/ First Communion Pie Social	April 13
SALC Baseball Game – Family Night Outing	June 20
SALC Golf Outing at Rib Mountain	July 10
SALC Baseball Game – Family Night Outing	August 15
Annual Church Picnic (with Rally Sunday)	September 11
Assisted w/Merrill Tornado Victim Fundraiser	October 9
Ministry Fair – Set up booth to recruit volunteers	October 16
Gingerbread House/Cookies Decorating Event	December 11
Cookies for Church School Reconnect Sunday	December 18

The OWLS (Older, Wiser Lutherans est. 2010) group meets monthly for fun activities and is open to anyone. Fellowship Ministry also organized the design and production of new "Open to All" SALC t-shirts that we will continue to sell through the church office. We also assisted our winter dart ball and summer softball teams with their dues.

In 2012 the Fellowship Ministry looks forward to continuing our weekly and annual events as well as trying new ones. Our goals will be to recruit more volunteers to help with our activities and to serve on the ministry and to provide activities and events that are enjoyed and increase fellowship in our congregation.

We appreciate all the wonderful volunteers that made the activities in 2011 so enjoyable.

Finance Ministry

Chairperson: Nate Weller

Council Liaison: Bill VandenHeuval

Treasurer: Kerry Fehrman

Members: Sheldon Geiger and Betty Dotseth

The goal of the Finance Ministry is to monitor and communicate the church's financial status and make recommendations to the church council in support of continued growth. Regular tasks conducted by the Finance Ministry include:

- Monitor and manage monthly cash flow to ensure timely payments to vendors and staff.
- Review the overall financial position of the church on a monthly basis and report to the Church Council through the liaison.
- Coordinate the annual budget process and make recommendations to the Church Council.
- Count and deposit the weekly offerings each Monday.
- Ensure that acceptable accounting practices and procedures are used as adopted from the ELCA.

The budget that was established for 2011 included some tough decisions with decreased funds in nearly every ministry in the church. However, by doing so, the financial status of the church was not jeopardized. It is believed that this prudent approach to setting the budget might be needed for several years to come.

The 2012 budget worksheets were a huge success. Thank you Kerry for all your hard work putting them together. All of the ministries submitted their requests on time as needed.

The Finance and Stewardship Ministry started operating in a joint effort this year. Although our ministry work is different, it was beneficial to discuss different ideas and considerations as a larger group.

Goals set by the council for 2011 focused on two major areas. First, to determine a standard methodology regarding Designated Funds purpose and usage, and work to apply this methodology. Secondly, it was requested that the minutes contain motions for approving expenses, point being to show that Finance was monitoring expenses carefully on a monthly basis.

The Finance Ministry was able to meet the goals as established. Working to rearrange the Designated Funds took much communication and discussion with several ministries throughout the church year. We were also able to control and monitor expenses very successfully this year.

The coming year will present more unique challenges that Finance Ministry will address as requested. Finance will continue to monitor expenses with the process established. The Finance Ministry will also be quite busy with making financial recommendations for staffing needs as Pastor John retires. Increasing our membership is always a goal.

In 2010, the ELCA Internal Control Guidelines were fully adopted. It would be beneficial in 2012 to review the best practices, compare those best practices to current SALC practices, and work to make necessary improvements. This could be considered an internal audit on our part with the coordination of the staff.

Lastly, we want to thank all of our volunteers who help with the weekly offering counting. Personally, I want to say it has been a pleasure working with the Stewardship Ministry throughout the year. Our partnership has given the Finance Ministry more insight into the decisions we make.

Yours in Christ

Nate Weller

Member Outreach Ministry

Chairperson: Linda Vogen

Council Liaison: Annette Green

Staff Advisor: Pastor Craig Swenson

Members: Babs Hintz, Dan Holt, Lucy Lahr, and Billie Schmidt

The goal of the Member Outreach Ministry is to help each member feel they are a part of the SALC family. As members of a family, we need to support and acknowledge each other in time of need and blessing, welcome each other, try to know and understand each other, and perform the necessary jobs to keep the family functioning. We try to facilitate this through our many outreach programs. Three times in 2011, we hosted the New Member Orientations and Receptions welcoming new members when they were officially received into the church family.

An important part of Member Outreach is the *Greeter Program*. We have many members who volunteer to warmly greet our members and visitors as they arrive for services.

Our *Care Notes Program* and *Sunshine Circle* minister to our members during times of need. *Care Notes* provide reading material that may offer solace and reflection in regard to personal situations. The *Sunshine Circle* makes phone calls, provides meals, and sends cards made by our Sunday School children to members telling them that we are thinking of them and that they are in our prayers. This outreach also does the calling when food is needed for funerals or other events.

The *Tuesday Quilting Group* meets the second week of the month and welcomes any member wanting to participate making quilts for members of our community. A large number of quilts were made. The *Lutheran World Relief Quilt Group* meets on Mondays the first week of the month and made about 35 quilts that were sent to World Relief. In addition, prayer shawls were also knitted or crocheted.

Member Outreach is working to bring two new outreach programs to the congregation. The first is a visitation program where members of the congregation will be trained to bring communion, conversation, and comfort to those who are homebound. The other is a prayer ministry where members will purposefully pray for those who are in need of special prayers.

Memorial Gift Ministry

Chairperson: Marilyn Olson

Council Liaison: Eric Jacobson

Staff Advisors: Pastor John Roseth, Pastor Craig Swenson and Shelby Gjertson

Committee Members: Ron Goetzke, Annette Green, Dick Jarvis, Roger King, Mary Kregel, Patty Marceille, Donna Peth and Julie Weller

The overall role of the Memorial Gift Ministry is to monitor the Memorial Gift Guidelines, maintain a list of needed "gifts" and disburse monetary gifts in a timely manner. If the gift is designated to a certain area, we will work to make sure it is used for that purpose. If the gift is undesignated, we will discuss what Saint Andrew needs at the time.

Memorials received in 2011 by Marjory Nielsen and Samson/Peterson have been used to purchase a Koala Bear changing station, hooks and a diaper genie for the nursery.

Eric Jacobson has volunteered to set up a meeting with someone from Thrivent Financial to explain how to set up endowments to Saint Andrew.

Phil Bickley (from the Property Ministry) asked that a percentage of undesignated funds be given to the parking lot resurfacing project to be completed in four years. The ministry voted to give them 10% of all undesignated funds for the next four years.

Our main goals for 2011 are to finish the landscaping project on the south side of the church, install a wheelchair accessible door at the west entrance of the church, purchase new white paraments, install a hand rail by the sidewalk at the northeast entrance to the church, purchase a projector and a screen for the fellowship hall and assist with other ministry items as necessary and as monies are available.

If you are interested in gifting a memorial to Saint Andrew in honor of a special loved one, please contact Pastor John, Pastor Craig or our Parish Administrator, Shelby Gjertson.

Purpose of the Ministry: Programs and activities have been developed and expanded by Social Ministry to minister to the needs of the members of Saint Andrew and to the needs of our neighbors beyond the doors of Saint Andrew.

Goals achieved in 2011: Once again in 2011 Social Ministry enjoyed the support of many volunteers from our generous congregation. Without their help and support there are many events that would not be possible including:

- The Super Bowl Snack Sale which raised funds for the food pantry

- Made a hand-crafted banner and sent it with a partnership candle to our sister congregation in Zeerust Africa
- Used the Cradle of Love to collect items for our food pantry
- Collected food and school supplies from students in Vacation Bible School
- Sold Fair Trade coffee and chocolates to support the cause
- 42 school bags and 62 quilts (33 made by one church member alone) were donated to Lutheran World Relief

- Recruit new ministry members and volunteers
- Take a lead role in the anticipated visit of members from our sister congregation in Zeerust Africa
- Improve our communication about what services we provide to the families and friends of Saint Andrew Lutheran Church
- Continue the established fundraising endeavors already in place to support the food pantry
- Act as representatives for the mission of Lutheran World Relief for our congregation

Stewardship Ministry

Our Stewardship efforts in 2011 resulted in very positive results. A number of Stewardship messages were sent to all members of the congregation, including those focused on the "Spare a Buck" campaign, proportional giving program, and debt reduction appeal. Calendar year 2011 ended with actual contributions exceeding pledged amounts by \$35,000 and, in addition, \$33,000 of debt reduction contributions were directly applied to the mortgage. Current indebtedness is now \$1,769,000, down from \$2,226,000 in 2007 at the completion of construction. The 2012 giving envelope has now been modified to allow members to separate general fund

giving from mortgage reduction giving. Thanks to all congregational members for your generous stewardship!

The 2012 Every Member Response campaign was divided into two distinct campaigns: in the summer, "Time and Talent" requests were mailed to members, and, this fall, the pledge requests were distributed. The current 2012 EMR pledge response has been disappointing with only 32% of congregational members having submitted a pledge. From 2011 to 2012, this represents a 12% decline in the pledged funds. Consequently, the Stewardship ministry has recommended a reduced budget. Follow-up calls will be made to members who pledged and gave in 2011 and have not yet pledged in 2012.

Stewardship is a call to each of us, with thankfulness to give back to God as He has given to each of us!

Worship Ministry

Chairperson: Cheryl Allen

Council Liaison: Sara Millard

Members: Barb Breese, Al Freiberg (Coordinator of Music), Pauline Hartman, Christy Keele (Nursery Chairperson), Marilyn Olson (Altar Guild Chairperson)

The Worship Ministry is the umbrella ministry for the entire worship life at the church of Saint Andrew. The members oversee:

- Altar Guild
- Communion Helpers
- Lay Readers
- Music, including
 - Accompanists
 - Bell Choir
 - Chancel Choir
 - Children's Choir
 - Special services and musicians
- Nursery
- Ushers

In 2011, the Worship Ministry, like all the ministries at Saint Andrew, was challenged by a severely reduced budget. Tracking and controlling expenses without hurting the quality of worship was our top priority this year. All the volunteers who served in the above ministries gave their time and talent to accomplish this goal. Thank you!

In spite of our budget constraints, Worship implemented two innovations this year: Adding a gluten-free option for Sunday communion and creating a truly functional and staffed Nursery. We were blessed with timely help from two people who stepped forward at the right time to set up the programs.

Laura Seanor stepped forward to work with Marilyn Olson and the Altar Guild on the guidelines for baking and handling gluten-free bread and juice. New bakers have volunteered to bake the bread, donating their time and ingredients, as all the Altar Guild bakers do.

Christy Keele recognized our need for a working nursery and stepped forward to help set it up even before she and her family became members. She identified a 'must-have' list including a diaper deck, play yard, shelving and storage. Our budget couldn't pay for any of it, but once again we were blessed – the Memorial Gift Ministry had money available to outfit the Nursery. A parish member donated a cabinet to store shoes. As of year-end, the Nursery was staffed with volunteers for most Sunday services and is a safer and more convenient space for the children of Saint Andrew.

In 2012, we will be taking on new challenges and adapting to changes. Marilyn Olson has retired from the Altar Guild and Shelby Niskanen will be assuming her duties. We are hoping to work with Christian Education to implement training and enrichment for all the volunteers in the worship ministries. Our overall goal will be to continue to support the mission statement: To provide the best possible environment for worship at the church of Saint Andrew that will help every member express their faith in God through Jesus Christ.

The Altar Guild at Saint Andrew is considered to be a "quiet ministry", requiring consistency and dedication of its members to get things done in a timely fashion. We work in 6 teams and have 18 members. We are grateful to our new helpers, Georgie Fischer and Sherri Hessen for cleaning the altar and Credence table after most of the Thursday evening services throughout the year and thanks goes to Pam Burnett who retired from that duty.

Our weekly responsibilities include: baking the communion bread for all 4 services; setting up and taking down the communion bread, wine and credence cloths after all of the services; changing the color of the paraments on the altar according to our church calendar; filling the candles on each side of the altar with oil; and putting the flowers on the altar.

Many thanks to Mary Wittich for laundering all of the linens throughout the year and to Sandra Fischer who overlooked my altar guild responsibilities over the winter while I was in Arizona. The sexton, Ron Sandquist, takes care of all of the Baptismal details

We decorate the main altar and the chapel for Easter, Thanksgiving and Christmas to add to the beauty of the current season. Spring flowers grace our altar for Easter. Pumpkins, gourds, bittersweet, pine cones, etc. are used for the Thanksgiving display. Christmas decorations include a large ceramic Nativity set, small white lights and Poinsettias plus a small Nativity set that we place on the baptismal font.

Another responsibility is ordering all of the Communion wine from the Rib Mountain IGA and the beige hosts and white wafers from the Christian Bookstore. We use about four cases of wine (\$160), ten boxes of the beige hosts (\$130) and ten bags of the white wafers (\$60) for communion during the course of a year at Saint Andrew.

As of July, we now offer gluten-free bread and white grape juice for communion only on Sundays for those who need to follow a gluten-free diet. Laura Seanor coordinates the baking of the bread and she bakes as well as Helene Gjertson, Sheila Hagen, Linda Peterson and Rebecca Sonnentag and family.

We help serve, make desserts and clean up one Wednesday night for the Soup and Sandwich Supper during the Lenten season. Five of us strip the altar at the Maundy Thursday evening service. A special thank you goes to Lenette Hoover and her family this year for baking the bread, setting up and serving at the 6:00 am Easter service on the mountain.

As the chairperson, I also represent the altar guild at the Worship Ministry meetings on Ministry Night as we are a part of the Worship Ministry.

Bev Schmidt, a Saint Andrew member who works for Blossoms and Bows, continues to make up our weekly altar bouquets. She does a beautiful job for us and we thank

her for her creativity. We order the Easter flowers and Christmas Poinsettias from Blossoms and Bows as well.

A very special thank you goes to Shannon who always supports our ministry throughout the year by doing all of the physical work!! Thanks, Shannon!! And many thanks to Joy and Shelby for their help and support with my many projects and phone calls. I especially have appreciated the support from Pastor John over the years and from Pastor Craig for the short time he has been here.

I also want to thank my husband, Doug, who has been my computer expert and personal "secretary" setting up all of the programs for my paperwork for each meeting plus helping me haul the wine, set up for communion, change the paraments, etc.

It has been an honor and a privilege to serve on this committee for the past 13 years, but it is time to pass the torch to someone else and that someone else is Shelby Niskanen who has agreed to be the next Altar Guild Chairperson. I wish her luck and I know she will love working with this dedicated group of women. I could not have asked for a better group to work with as they have been very flexible and willing to do most anything that I asked of them. There have been many joys and very few problems so I am thankful for that and I know that we will be friends forever. I know that I will miss being the "church lady" here at Saint Andrew!!!

Youth Ministry

The purpose of the Youth Ministry is to provide activities and stewardship that helps the youth of our congregation stay involved with the church. Also, it builds relationships that can help them grow along their faith journey.

Over the past summer the Senior High Youth raised all the funds needed to complete a successful mission trip to Philadelphia where they worked at a local soup kitchen, helped out at a thrift shop and at an elderly center (21 youth, 3 adults).

Saint Andrew Youth Ministry works with the Coordinator of Youth to support and promote youth ministry at Saint Andrew. Activities are geared toward three age groups: 6th grade, 7th & 8th grades, and 9th–12th grades.

The 6th grade activities include bowling (12 youth), scavenger hunt to collect for the food pantry (6 youth), Christmas caroling, tubing (70), baptism retreat (33), Junior High Youth Gathering (JYG) (10 youth, 2 adults), CROP Walk (12 youth and adults) and swimming (12).

The 7th and 8th grade activities include corn maze (14), CROP walk, tubing, JYG and Christmas caroling. The 7th grade students attend Confirmation Camp at Waypost for a week in the summer as part of their confirmation journey (22 youth).

Our High School group, 9th–12th grades, had numerous fundraisers including a treasure sale, sub sale, Easter breakfast, apple pie sale and brat fries. They also help with the highway clean-up, monthly community dinner held at the First Presbyterian Church in Wausau, and Lenten soup. Some of their activities include broomball (16 youth), CROP walk, Senior High Youth Gathering (SYG) (21 youth, 4 adults), a progressive dinner (22) and Christmas caroling (18 youth and adults). There is a Senior High Youth Board that meets monthly to help plan activities. The summer of 2012 the Senior High Youth will be attending the National Youth Gathering in New Orleans (23 youth, 4 adults).

Our youth ministry is open to all youth at Saint Andrew. Our goal for the upcoming year is to get parents involved with the planning & programming and more youth of all ages participating in the activities offered at Saint Andrew. We thank the congregation for their continued support of this ministry and ask for your ideas and involvement. You are always welcome to attend Ministry Night and the Youth Ministry meetings.
