PASTORAL REFLECTIONS

As winter extends into the season of Spring, the question is beginning to be asked, will it ever warm up again? Will the snow melt and the flowers bloom, the trees leaf out and the grass turn green again? Political tensions, natural disasters, instability in many parts of the world make it seem like we are in a valley of dryness wondering if we will ever see hopeful signs of life again.

Ezekiel, the prophet, was led to a valley of dried bones and asked, can these bones live again? O Lord, you know. You are the breath of life. You are the source of living water. You are the one who provides living bread from heaven. You, O Lord, know very well that in you is life, hope, salvation, joy, and freedom. You have claimed us in the waters of baptism and you give us life. You give us courage to face uncertain times and you walk with us to comfort and protect us.

On Ash Wednesday we were reminded that we are but dust and without the presence of God's life-giving Spirit we are little more than dry bones. But the good news is, we can live again. Through Christ, we are assured that there is a resurrection. There will be life, abundant life, now and forever. Blessings on your journey of faith which bears witness to the promise of God's love fully revealed in Jesus. — *Pastor Craig*

The life and ministry of Saint Andrew Lutheran Church shall be open to all who wish to express their faith in God through Jesus Christ by *worship, learning, witness and service.*

REFLECTIONS ON THE READINGS

Fourth Week in Lent

Baptism is sometimes called enlightenment. The gospel for this week is the story of the man born blind healed by Christ. I was blind, but now I see, declares the man. In baptism God opens our eyes to see the truth of who we are: God's beloved sons and daughters. As David was anointed king of Israel, in baptism God anoints our head with oil, and calls us to bear witness to the light of Christ in our daily lives.

Fifth Week in Lent

Jesus reveals his power over death by raising Lazarus from the dead. The prophet Ezekiel prophesies God breathing new life into dry bones. To those in exile or living in the shadows of death, these stories proclaim God's promise of resurrection. In baptism we die with Christ that we might also be raised with him to new life. At the Easter Vigil we will welcome new sisters and brothers at the baptismal font, as we renew our baptismal promises.

GOOD STEWARDS

Perpetual gifts are great ways to support the mission and ministry of Saint Andrew after you are no longer able to do so. Saint Andrew recently received a generous gift from a member who took out a life insurance policy and named Saint Andrew as the beneficiary. It is exciting to see people consider creative ways to support the mission and ministry of the church for current as well as future years. Many congregations have accumulated resources that allow exciting possibilities to support ministry opportunities. This recent gift has prompted the church council to first “receive” or accept the gift on behalf of the congregation and secondly to begin the process of setting up an official Endowment Fund as well as a committee and policy to manage those funds in ways that are above and beyond budgetary needs. Such giving is a good model of stewardship as it is simple, faithful, generous and intentional. With the approaching tax deadline, this may give others the incentive to consider similar gifts as tax deductions and opportunities of “investing” in the future ministry needs of the church. Thank you to this anonymous member for seeds of generosity that will one day produce abundant fruit for Christ’s church. If you are interested in such a gift, please call the church office and ask to speak with Kerry, the church treasurer, about your possibilities.
