A Fond Farewell to the Weekly Wave as The Network Returns for July

The Weekly Wave has served us well throughout the pandemic to keep members connected and in tune with updates and changes as they happened-quickly at times.

Now, as we settle into Phase 3 and beyond of the Plan to Gather, the need for regular weekly communications has lessened making this the perfect time to transition back to the monthly newsletter, The Network, beginning with the July issue.

Constant contact emails, mailings, and online platforms will continue to be used to keep you informed of upcoming events, church-wide updates, and special announcements.

If you would like to update your mailing preferences for receiving e-mails and bulk mailings, please contact the church office at 715-842-3333.

- 2-3 bath-size bars of soap equaling 8 to 9 ounces, any brand, in its original wrapping
- 1 adult-size toothbrush in its original packaging
- 1 sturdy comb
- 1 metal nail clippers

If you would like to donate a personal care kit, ***please purchase all five items. Please donate new items only, with no advertising, religious or military symbols.***

Seeking Assistant Ministers, Singers, Readers & Ushers

Assisting ministers have been implemented in the Sunday morning worship services. This role may include singing the liturgies, speaking portions of liturgies, reading scripture, and assisting with liturgical responses. Pastor Justin and Al Freiberg will walk you through the process-feel free to ask as many questions as you would like. Singing may be omitted if the individual is not comfortable.

Readers, singers and ushers are also needed for worship as the transition continues to worship in person. If you are interested in volunteering in any of these areas, please contact Al at 715-574-2138.

"Christ In Our Home" Devotional

The 2021 third quarter (July, August and September) of "Christ In Our Home" devotional is now available in the Narthex.
