Sexton Positions Open

Saint Andrew is seeking 2-4 high school students to share Sunday Sexton responsibilities beginning this summer for the 9:00 am service and continue into the fall. The role of the Sexton is to collaborate with the pastor, staff, and lay leadership of the congregation to help maintain campus order during Sunday worship and activities at Saint Andrew Lutheran Church. This is a paid position and monthly schedules are worked out based on availability. If you are interested, please send an email to personnel@salc-wausau.org or call or text Wayne Johnson @715-370-5263 and additional information will be provided and an interview set up if desired. Job shadowing can be set up with the current Sexton, Nick Josiger.

Stream Team Volunteers

Stream Team is the backbone of Saint Andrew's live and in-person worship services and is looking for additional volunteers for either of two roles:

- **Video Switcher:** follows a service order and selects what is viewed on the livestream. Switches between different cameras and the ProPresenter slide feed assisting the viewers to see worship and follow along.
- **ProPresenter Operator:** follows a service order and cues to advance slides at the proper time to assist the congregation in-person and online follow the service and participate in worship.

Volunteers can serve as little as once a month and arrive about a half hour before worship begins. You can pick your schedule or be assigned to services. If this opportunity to serve this community and learn new skills interests you, contact jonathan@salc-wausau.org to learn more or sign up!
