### **Called \* Committed \* Counted** **2024 Stewardship Campaign**

*Called as partners in Christ's service, **called** to ministries of grace, we respond with deep commitment fresh lines of faith to trace. May we learn the art of sharing, side by side and friend with friend, equal partners in our caring to fulfill God's chosen end.*

Please take some time to prayerfully think about what you can give of your financial resources. Your pledge allows the ministries and staff of Saint Andrew to dream big and plan according to and within our means.

### **Supply Pastor Coverage**

Over the next couple of months, supply pastors will be presiding over many worship services at Saint Andrew on Sunday morning. If the church does not have a pastor that week, we will worship utilizing the "Service of the Word" structure found in the Hymnal. A Service of the Word has all four of Sunday's scriptures, hymns, the Apostle's Creed, and Thanksgiving for the Word. On Sundays without a pastor, we will not be able to have Holy Communion.

## Sunday Worship Schedule for October:

**October 22:** Service of the Word

**October 29:** Pastor Dara Clifford presides over Reformation and Confirmation Sunday

---

## Communion Training for Communion Servers and Ushers

**Sunday, October 22; 10:30-11:00 am**

If you are serving this fall as an usher or communion server, or would like to, please come to a brief training session this Sunday in the Sanctuary. There will be at least one more training session on Sunday, November 5 from 10:30-11:00 am.

## Looking for your input!

***"One in Spirit" Devotional Yoga***

***Transforming the mind, body, and spirit***

Yoga is a spiritual practice with many, many benefits for the body, mind, and spirit. If you are interested in practicing yoga at Saint Andrew, please complete this [Yoga Interest Survey](#) by October 27. Paper copies are also available in the Narthex.

*"Yoga was never intended to be separate from devotion to God. The physical practice is to settle our bodies so we can sit with our breath, enjoy the healing Presence, and be connected in our relationship to God and each other. Union of body, mind, and spirit has always been the intended outcome of yoga practice."*
