Called * Committed * Counted 2024 Stewardship Campaign

Christ's example, Christ's inspiring, Christ's clear call to work and worth, let us follow, never faltering, reconciling folk on earth. Men and women, richer, poorer, all God's people, young and old, blending human skills together gracious gifts from God unfold. Thus new pattern for Christ's mission, in a small or global sense, help us bear each other's burdens, breaking down each wall or fence. Words of comfort, words of vision, words of challenge, said with care, bring new power and strength for action, make us colleagues, free and fair.

Jesus offers us a life that counts, now and forever; all we have to do is let go of what we want and put our resources in his hands. This **Sunday, November 5** - Consecration Sunday - we will give thanks for the pledges received during our Stewardship Campaign. We have been blessed with response from approximately 25% of our members and are hopeful that more pledges will be received this week. Pledge cards will be available in the pew racks and can be placed in the offering plate.
