Epiphany Pageant- Thank You!

Thank you to everyone who came and watched the Epiphany Pageant. The kids were so excited to share the journey to Epiphany through stories and songs. What a wonderful way to start off the new year! You can watch the recording of our pageant [here](#).

Worshipping with Children

At Saint Andrew, children of all ages are welcome as integral members of the body of Christ, and we welcome the sounds and activity that accompany them! There are a few spaces and activities designed for children to experience and participate in worship:

At the doors of the Sanctuary, kids can pick up a busy bag to take into worship. These bags include crayons and paper, a book, blocks or a puzzle, and a foam communion set.

The nursery is available for families with infants and toddlers as an additional space as needed. There are books, toys, rocking chairs, and a changing table.

A Playground is located at the front of the Sanctuary that is intended for families with infants to early elementary students, recognizing that small kids are often more engaged when they can see what's going on. Families can enjoy extra floor space for children that may need to stand or move around and soft and quiet toys for busy hands.
