COMMUNITY CONVERSATIONS

We continue to think about the present and future of SALC. If you missed the opportunity to share your opinions with Council and the Ministry Site Profile (MSP) committee on March 3, we would still like your input on the Strategic Planning Work by the Church Council and the information we are gathering to include in our Mission Site Profile (Church Resume) as part of the Call Process for our next Pastor here at Saint Andrew Lutheran Church (SALC).

Hot Cross Buns for Fellowship

Sunday, March 24 Following Worship

Easter marks the end of Lent, and celebrates the resurrection of Jesus Christ after his crucifixion.

It's fitting that these spiced buns are symbols of the holiday, because the meaning of hot cross buns at Easter ties directly to the resurrection. The cross atop the hot cross buns symbolize the cross used in Jesus's crucifixion.

The spices used in hot cross buns are symbolic of the spices, referenced in the bible, which were intended to embalm the body of Jesus Christ.

According to Luke 23: 55-56, the women who had come with Jesus from Galilee prepared a mixture of spices for him. In Luke 24, when the women returned with the spices, they found the empty tomb.

Even the yeast dough of hot cross buns represents Jesus Christ. The dough has to rise before the hot cross buns can be baked, which symbolizes that Jesus has risen.

Enjoy a special tradition at Saint Andrew of Hot Cross Buns on Palm Sunday to signify the start of Holy Week. Served following worship in the Fellowship Hall.

Congregation Forum

Sunday, March 17; 10:15 am - Fellowship Hall

It is time to bring you up-to-date on the visioning process that is being followed by the Congregation Council.

Both Council members and those developing our Ministry Site Profile have been in regular contact with members as they work on their assigned tasks. Never in my ministry have I asked congregational leaders to do so much in such a short period of time. Saint Andrew's Council has accepted the task and are working diligently to develop a vision for the future of this congregation.

I want to provide you with a sense of the frame we are using to develop a picture of who Saint Andrew is today and who we might become by 2027.

The foundations for the process being followed, the rationale of building from strength, and the content of the Twelve Keys that we will evaluate to determine our vision for the future will be discussed. The initial demographic information that Council members have obtained to help in our work together will be shared.

I invite your participation. Our goal is to have as broad a level of participation as possible as we work to grow this ministry and enrich this community. Please join us!
