## A Message from Crossways Camp:

***"Campers Will Be Welcomed and Engaged at Crossways!"***

Your camper will be known for who they are at camp! Our well-trained summer staff are tasked to be curious and connect with each camper. Every camper brings their unique

qualities that blend together to form our beautiful community. What a delight to help them find just where they belong.

- We will prepare our spaces, use each camper's name, lead icebreakers with introductions upon arrival, and lead affirmations with reflections
- We will provide a custom experience by offering choices, and opportunities for campers to select individual interests
- We will be ready to adapt to help campers to participate

As a result:

- Campers will feel welcome and free to be their authentic selves
- Campers will participate in activities and programming

## Weeds Be Gone!

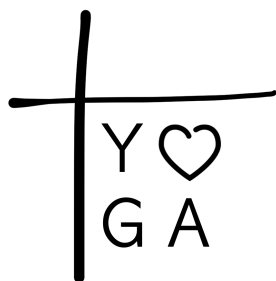

It is that time of year again when everything is greening up and in beautiful bloom, which also means...weeds. Volunteers who are willing and able to get a little dirty and help maintain the landscaped areas around Saint Andrew are needed for the summer months. If you are

willing to “adopt” an area to maintain, please find an area from the diagram on the Information Bulletin Board in the Narthex that you would like and sign up accordingly on the sheet on the table.

Buckets and/or bags for weeds, kneelers and basic garden tools are provided and *located behind the dumpster in the garbage coral*. Please bring gloves, and preferred weeding tools.

There is no set schedule when the work needs to be done, however, if you will need access to the building, please be aware the office hours are – Monday-Thursday,  
8:30 am – 4:30 pm (closed Fridays) or make arrangements with Patrick at [patrick@salc-wausau.org](mailto:patrick@salc-wausau.org).
